Attend Our Sale

* * * * *

We invite you to attend our dispersion sale at the Fair Grounds, Oakland, Nebr. We regret selling these Shorthorns at this time but the selling of this farm necessitates the sale of them. The farm is being sold to divide the interest of the heirs.

The cattle are the best ever raised on this farm and will be sold off of grass, as the time will be too short to try to fit them as they should be. A fine lot of calves have already been born and before sale day about 25 head should be at the side of their dams. Practically all the females that have had one calf have been milked some time and a large percentage are very satisfactory milkers. All the females over eight months of age have been vaccinated for Bangs.

Guarantee—In spite of the fact that this is a dispersal sale, every animal is fully guaranteed. Each animal will be tested for Tuberculosis and for Bangs within thirty days of the date of the sale, and are guaranteed to comply with the health requirements of any state or any herd.

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

Bulls are guaranteed to be breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned if in as good condition as when bought and if after a test he still fails to breed, the purchase money will be refunded.

All cows with calves at foot or heavy with calf are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned because they do not comply with guarantee will be at buyer's cost of transportation.

Certificates of registry and transfer will be furnished for each lot sold, and certificate for registry for each calf at foot and in dam. Shipment will be made as soon as possible after the close of the sale without trouble to the purchaser but at their risk of loss or injury.

The terms of the sale are cash.

Oakland is about half way between Omaha, Nebr., and Sioux City, Ia. Two highways, Nos. 77 and 73, intersect near it, and two railroads, the C. B. & Q. and C. St. P. M. & O.

Mail bids may be sent to the Auctioneers or to the Shorthorn World representative, Mervin Aegeuter; J. L. Miller, Cornbelt Farm Dailies; M. T. White, Wallace's Farmer.

Auctioneers: J. E. Halsey of Des Moines, Ia., and Henry Buss of Columbus, Nebr.

The sale will begin at 1 p. m., Central War Time, September 27, 1944, at the Fair Grounds Pavilion in Oakland, Nebr.

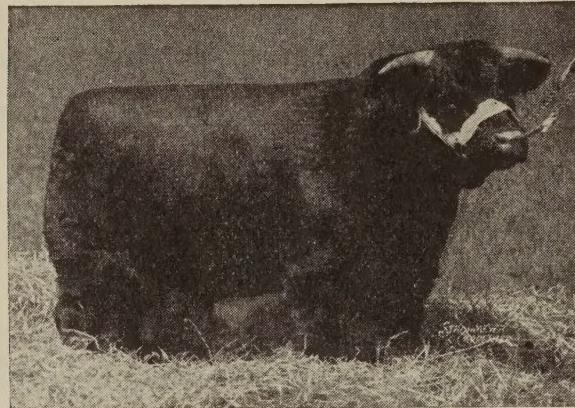

No postponement on account of weather.

PLEASE NOTE—

All those who desire to come to see the cattle before sale day, may see them at the Fair Grounds anytime after the Saturday before the sale.

We wish to call your attention to the John Swanson & Sons' sale at Estherville, Ia., the day before our sale and the Bellows Bros. sale at Maryville, Mo., the day following our sale. Also the Geo. Struve & Sons' sale at Manning, Ia., Sept. 29 and Holz Bros.' sale at Rippey, Ia., Sept. 30.

Please Bring This Catalog with you to the Sale.

This young sire fills the eye in that he is heavy hind quartered, smooth throughout his entire body with thick flesh, a grand head as well as short legs and thickness. His sons and daughters both inherit all of these qualities, and are ahead of any calves ever raised on this farm. I think he is the outstanding bull to be sold and he is offered only because this is a dispersion sale.

This cow has left a lot of good cattle, both bulls and females. Four of her daughters are in this sale, and two of them are old enough to have already produced our top bulls. Has a real good yearling bull in the sale and a red bull calf at side born July 25, 1944, sired by West Hatton Sheik. Hand broke to milk and should have had a record kept on her milk, as I think she would have made dairy cows step.
